Re: Renegade Parts Washer.

Dear Mr. Williamson:

The City will allow you to dump the waste from the Renegade parts washer down the sanitary sewer system. As stated you are allowed a maximum of 50 gallons per month. The City reserves the option to sample the waste if needed and terminate the dumping of this waste if problems with treatment of the waste occur at the cities wastewater treatment plant. Please call if you have questions.

Sincerely,  
CITY OF REEDSBURG
