PRODUCT OVERVIEW

The Renegade TMB 5500 Automatic Top Load Heavy Duty Parts Washer is the economical solution for automotive or leisure equipment machine shops that need to go beyond general repair cleaning to parts covered with grease, oil or lubricants. Your parts will be thoroughly cleaned in a high temperature and high pressure environment. Automation features include PLC Programmable Wash Cycle Timer and Heater Timer. Rugged stainless steel construction means low maintenance but delivers high performance batch after batch. Renegade Parts Washers are designed to work with Renegade detergents for maximum cleaning without residue buildup.

RENEGADE PARTS WASHER DETERGENT

Renegade's history of providing parts washers solutions also includes a wide variety of **specially formulated soaps and detergents** for use in parts washer systems. Renegade's experience in the industry led to the development of special non-solvent based surfactants that are both environmentally safe and health conscious for your employees. Use Renegade low-foaming detergents to remove grease, soil, paint, corrosion, oil, and other contamination from parts' surfaces. Choose from manual or automatic detergents, degreasers, additives and hand cleaners. **Learn more and order now, call 800-774-7900 or go to Renegade at www.partwasher.net.**

RENEGADE PARTS WASHER HARDWARE AND SUPPLIES

As a full service parts washer solution provider, Renegade supports the maintenance and performance of your parts washer with a wide range of parts and supplies such as filter cartridges, baskets, brushes, and hoses. **Learn more and order now, call 800-774-7900 or go to Renegade at www.partwasher.net.**

ABOUT RENEGADE PARTS WASHERS

Manufactured by **Service Line, Inc.**, **Renegade Parts Washers** and **Renegade I-Series Industrial Parts Washers** are designed to efficiently clean parts and components in a wide variety of industrial applications in both general cleaning and industrial high volume operations.

Since 1996, our industry experience has led to innovations in automatic and manual top load, front load and turntable parts washers, along with exclusive developments in parts washer detergents. Renegade Parts Washers offers fast lead times, quality service, support and custom design parts washer configurations with our Clean Spec Consulting Services. Renegade customers include small manufacturers and prominent Fortune 500 companies.
