PRODUCT OVERVIEW

The Renegade TMB 8150 STRETCH Automatic Top Load Heavy Duty Parts Washer is the aqueous cleaning and degreasing equipment solution for automotive general repair or leisure equipment machine shops. Soiled parts are thoroughly cleaned of grease, oil or lubricants in a high temperature and high pressure environment, batch after batch. Easy to use automation features include PLC Programmable Wash Cycle Timer and Heater Timer. Rugged heavy gauge steel construction for durability and exceptional value for performance per labor hour improve cost of operation. Renegade Parts Washers are designed to work with Renegade solvent-free detergents for maximum cleaning without residue buildup.

RENEGADE PARTS WASHER DETERGENT

Renegade's history of providing parts washers solutions also includes a wide variety of **specially formulated soaps and detergents** for use in parts washer systems. Renegade's experience in the industry led to the development of special non-solvent based surfactants that are both environmentally safe and health conscious for your employees. Use Renegade low-foaming detergents to remove grease, soil, paint, corrosion, oil, and other contamination from parts' surfaces. Choose from manual or automatic detergents, degreasers, additives and hand cleaners. **Learn more and order now, call 800-774-7900 or go to Renegade at www.partwasher.net.**

RENEGADE PARTS WASHER HARDWARE AND SUPPLIES

As a full service parts washer solution provider, Renegade supports the maintenance and performance of your parts washer with a wide range of parts and supplies such as filter cartridges, baskets, brushes, and hoses. **Learn more and order now, call 800-774-7900 or go to Renegade at www.partwasher.net.**

ABOUT RENEGADE PARTS WASHERS

Manufactured by **Service Line, Inc., Renegade Parts Washers and Renegade I-Series Industrial Parts Washers** are designed to efficiently clean parts and components in a wide variety of industrial applications in both general cleaning and industrial high volume operations.

Since 1996, our industry experience has led to innovations in automatic and manual top load, front load and turntable parts washers, along with exclusive developments in parts washer detergents. Renegade Parts Washers offers fast lead times, quality service, support and custom design parts washer configurations with our Clean Spec Consulting Services. Renegade customers include small manufacturers and prominent Fortune 500 companies.
